**Subject:** Re: USEPA Information Request Response re Renton

Hi, Thanks for your response. I have a quick question, in the responses references are frequently made to "folders" that have previously been provided. Could you be more specific--to whom were the folders provided and approximately what point in time? Thanks

Subject	USEPA Information Request Response re Renton

Ms. Priddy,

Attached is our response to the USEPA Information Request regarding the Renton, Washington Quendall Terminals Site. The original response will be delivered via Fedex.

Thank you.

Shauna Duke
